

HIGHLIGHTS

- Excellent grain quality and test weight
- Ultra early flowering
- Solid stalks and roots
- Stable across environments
- Responds to increased population
- Excellent dual purpose option

AGRONOMY NOTES

E44H12 R has strong seedling vigour for rapid stand establishment. This hybrid has moderate ear and plant height. Plants flower early for maturity and 1 day earlier vs MZ 1340DBR. Plants have above average tolerance to Goss’s Wilt and other leaf diseases. Stalks are strong throughout harvest. Ears are long and slender with very good grain quality. Husk cover is average and opens well. Position in and north of maturity zone for optimum performance.

FEATURES

CHU: 2100 **RM:** 74  **RIB**
