

HIGHLIGHTS

- Consistent performance
- Exceptional plant health
- Impressive late season intactness
- Industry leading stalk strength

AGRONOMY NOTES

Plants have impressive plant health combined with strong stalks and stress tolerance. Plants are short in height with medium-low ear placement. Plants have average flower timing for their maturity. Ears are medium length and cylindrical with 16-18 rows. Husk cover is adequate/long. Position in and south of maturity zone.

FEATURES

CHU: 2800 **RM:** 94
